Tennis court rules and etiquette:

1. Tennis courts are to be used by Meadowgrove members and their guests for tennis only. **All guests must be playing on the same court with their host member.** *The only exception to this is usage by approved Non-Member "Practice Teams and/or League Teams" which should be set up by a Tennis court Administrator*
2. Reservations must be made via reservemycourt.com (RMC) A printed confirmation or smartphone with RMC access will assure you of a court. This is the sole source for resolving conflicts
3. Only 1 court may be reserved at a time per member (*exception: paid team practice*) and no back to back reservations by the same member are allowed
4. Please be on time for your reservation. There will be a 15-minute grace period after the start of the reservation. The court can then be reserved by another player.
5. Sign-up duration will be for 2 hours or less, except for scheduled league matches. League matches may retain the signed-up court until the league match is completed.
6. **When play is completed, players must clean up/empty trash into green trash cans next to the wooden fence and turn off the lights.** Trash liner bags are located in the storage bin by the light switches. (see photo below)
7. Teams playing and/or practicing at Meadowgrove tennis courts must have a current "Team Registration/Contract" on file with the club. All Non-Member Fees must be collected by the Team Captain and turned into the Treasurer (Meadowgrove Club Inc., Box 672461, Marietta GA 30006) prior to the first scheduled team practice with a complete team roster. (\$35 per non-member, per season for each team)
8. Teams are allowed to reserve 3 tennis courts for their match day. If there are two teams playing home match on same day, each team will use two tennis courts.
9. Non-members who participate on a Meadowgrove League Team or Practice Team are entitled to participate in one scheduled practice per week (two courts) and home matches. Non-Members are NOT permitted to use the courts at other times.
10. Members who are found to reserve courts or practice "blocking" of courts with numerous reservations and not use or cancel them will be warned when first observed, and then reservation privileges removed for a month if this continues
11. To avoid undue wear, no dogs, skateboards, or skates are allowed on the courts.
12. Players must observe proper tennis etiquette. No abusive language, physical threats, or physical force will be tolerated.
13. Pickleball can be played on Court #2 where the lines are painted. DO NOT lower the net strap though as they are hard to adjust back and forth. Also please do not leave tape / temp nets on the courts or they will be removed.
14. Courts are blown off each Friday but if you need a blower there is one available in the locker make sure to secure it and charge batteries (see below). Brooms and court rollers are available. **Please** hang rollers under the protective covers after use **by the Frame** so the roller is not compressed where the hooks are.
